The Rabun Pickleball Club exists to foster the enjoyment of pickleball and the health benefits it provides to all who participate and to provide support to local charitable organizations. We currently have access to a first class 10 court outdoor venue and 9 indoor courts.

We provide many fun and beneficial activities in addition to the pickleball games themselves. We conduct activities such as skills clinics, professional exhibitions, competition with other area clubs, round robins, socials, and other competitive events that bring enjoyment to members and generate revenue for local charitable causes.

If you just want to play pickleball, that's fine. The club will support your access to the gyms and outdoor courts for fun play. However, if you enjoy making some of the activities a reality, you are encouraged to pitch in and help organize them.

The club is led by a group of your fellow Rabun players functioning as a Board of Directors. Currently, we are Tracy Barry, Danny Burch, Bob Ellis, Yong Kim, Charlotte Ostertag, Micaiah Schanie, David Pararo, Larry Walker, and Doug Wilson.

Membership is simple. Just complete the information below and contribute \$25 or more. This monetary contribution is a one-time investment for you. Mail the attached info and your payment to the Rabun Pickleball Club at PO Box 112, Tiger GA 30568 or give it to one of the Directors listed above. You may also make this payment using the donation feature on our website: www.rabunpickleballclub.com or use the QR Code below.
